

## Parents' questionnaire

Dear parents,

We constantly strive to improve the quality of the work at our early years centre. For this reason, cooperation with you is particularly important to us.

You are invited to participate in all essential matters concerning the early years centre. We are interested in your suggestions.

We would like to use this questionnaire to find out more about how you assess the cooperation between you and our team. Getting to know your point of view should help to further improve our cooperation and build an even more trusting relationship.

Please tick the extent to which you agree or disagree with the following questions. Of course, your views expressed will remain anonymous. You will be informed about the results of the survey.

Thank you and warm regards,

Your early years team
